Promote Your Business...
Sponsor Blackville's Music and Art Festival!
May 16 - 17, 2025

Blackville will have its annual Music and Arts Festival on May 16-17, 2025. The Music and Art Festival is designed to attract visitors to historic Blackville.

Many area residents look forward to strolling the streets to the beat of live music, performances, view art and craft booths, children's activities and so much more- this is an event that draws families and friends, couples and senior citizens to relax and rediscover the history of Blackville.

Contributions will go to promoting community music and art programs, create scholarship fund for students to attend school for music and art, and preparations for 2025 Music and Art Festival. The mission is to expose the underrepresented and often overlooked talented artist and musicians in visual, performing, and literary arts.

Sponsorships are tiered, with higher levels getting more benefits, but all sponsors get recognition. Higher levels are featured on both organizations' flyers, radio promotions, and in the printed program distributed the day of the event. Lower levels get listings in the program.

It's a positive way to showcase businesses to a large and diverse audience.

To be included in promotional materials and the printed program, sponsorships must be received by April 10, 2025!

Thanking you in advance for your consideration and support in making this a family filled relaxing community event for the citizen's of the Town of Blackville and beyond.

All donations and sponsorships are tax deductible. Our tax I.D. number is 80-0828053.
